School Improvement Plan

2026 / 2027

With Christian values at our core we nurture tolerance, confidence and compassion within a safe and happy school community. We challenge our children to become future guardians of the world and achieve their full potential

Improvement Priorities

Ensure that older pupils take more responsibility for their learning and develop their independent learning skills. *Estyn R2*
Improve the quality of pupils' writing through explicit teaching of reading and writing skills, including effective editing, reviewing and teacher feedback, with reading embedded consistently across the curriculum.
Develop a cohesive, integrated approach to planning that enhances learners' religious literacy and pluralistic understanding through a more cross curricular, thematic approach to RVE. *Section 50 2026 R1*
