

Dear Parents/Carers,

We are having a lovely last week before the Easter holiday visiting the Lent Charity stalls, making our Easter biscuits to sell and writing about our school trip.

Tomorrow and Friday we will hold Show and Tell sessions. We would like you to bring in a photo or upload a video to Seesaw about an adventure you have been on. It could be building a den in your house, having a teddy tea party, a family holiday adventure or anything else you choose!

We are having an outdoor P.E. lesson with Mr Nurton tomorrow so please ensure that your child has P.E. kit, trainers and a water bottle in school.

On Friday we are holding our Easter bonnet parade on the playground. Parents are invited to watch! It will start at 2.30pm so please arrive 5 minutes before and you can collect your child straight after if you wish for an early finish. Please bring Easter bonnets in on Friday morning because we do not have room to store them safely if brought earlier.

Our topic after Easter is The Beach. If you have anything that would enhance our Under The Sea, beach or Ice Cream Parlour role play areas we would be very grateful.

Thank you for your continued support and have a lovely Easter holiday! See you on Monday 28th April.

Best Wishes,

Mrs Chapman and Miss Hopkins
