

## Year 2 Homework Letter

26.06.25

This week the children have been independently collecting, recording and analysing data. I am so proud of how sensible they worked making choices about their topic, questions and layout of data. They have also been looking at natural and man-made features around St Brides. The children can sort and label the places / objects in Welsh.

### Spelling

The words that they will have on Monday will be: adding the suffix -ing.

putting	drumming	nodding	clapping	spinning
beginning	skipping	running	winning	chatting

### Maths

This week in Maths we have been working hard on data handling. The Maths homework can be found on the My Maths website. I have assigned 2 tasks - tally charts and block graphs, please don't feel you have to do both. The children's My Maths log in details should be attached to the front cover of their yellow reading record book, if you are missing them or are having trouble logging in, please let me know. Please complete it by Wednesday 2<sup>nd</sup> July.

### Reading

Please read as frequently as possible with your children at home. We will change their reading books in school once they are finished and we will send new books home. Please let me know if there are any problems.

### General Information

- Sports Day will be on **Friday 27<sup>th</sup> June**, starting at **1:15pm**. The children can wear their Sports Day clothes to school and wear a T-shirt, the colour of their house.
- Big merit will be held on **Friday 4<sup>th</sup> July** at 9am.
- If your child is going home with someone else, even a friend from the class, please can you send an email to the office to let us know.
- Any medals, certificates etc. can also be brought in for Merit worship on a Friday morning where your children can show the whole school what they have achieved.

I hope you have a lovely weekend.

Mrs Samuel
