Year 5 Homework 15/10/26

Firstly, it was a pleasure to speak to everyone across the two evenings this week. Thank you for your continued engagement and support. It has been an energetic start to the half term in Year 5. We have been exploring the ancient civilisation of the Maya people as we look to understand different parts of the globe during The Age of Exploration. We have also had human numbers in the classroom as we divide and multiply numbers by 10, 100 and 1000.

Homework

Homework will be assigned on Seesaw and Sumdog throughout the year. The learners have taken log in details home with them. Please let me know if you require another copy of these. Homework will also be posted on the school website.

The weekly spellings are taken from our Topic language as well as our spelling scheme on Sumdog. There will also be a weekly Welsh word.

Spellings

castles

whistled

nestled

listener

jostle

hustle

civilisation

community

meanwhile

Tachwedd

Maths

There will also be a weekly Maths task set on our Maths platform: Sumdog. This week's task involves multiplying numbers by multiples of 10.

Please get in touch if you have any questions about any of the above.

Have a fantastic weekend,

Mr Gibbon.
