Year 5 Homework 12/11/26

It has been a great week in Year 5 as we begin preparations for the Christmas show. We have had excellent conversations about balancing our learning and focus in the classroom with the show practice sessions. We have been drafting our writing pieces about the Maya civilisations, with everyone reviewing their work and improving it with a great sense of resilience. We have also begun to explore different methods to solve the same problems in mathematics.

Buoyancy Exploration: We will be exploring buoyancy in topic lessons over the next couple of weeks. Please could you bring in recyclable items from home so we can use them in upcoming lessons. Used items such as milk cartons, toilet rolls and shoe boxes would be very much appreciated.

Homework

Homework will be assigned on Seesaw and Sumdog throughout the year. The learners have taken log in details home with them. Please let me know if you require another copy of these. Homework will also be posted on the school website.

The weekly spellings are taken from our Topic language as well as our spelling scheme on Sumdog. There will also be a weekly Welsh word.

Spellings

rhyme

symbol

system

curiosity

rhythm

forty

conquer

tombs

pyramid

canu

Maths

There will also be a weekly Maths task set on our Maths & Spelling platform: Sumdog. This week's task involves taking part in a spelling competition.

Please get in touch if you have any questions about any of the above.

Thank you for your continued support,

Mr Gibbon.
