

Year 5 Homework 8/10/26

Another week in Year 5 where everyone has shown a fabulous attitude to their learning. I have been very impressed by everyone's focus and desire to work hard and improve. We have been adding decimals and explaining how mistakes can (and sometimes should) happen in Mathematics. We have also been investigating the actions of explorers and making judgements based on evidence presented to us.

Matilda Trip – 17th December 2026: Please can you provide payment for this via ParentPay by 16th October as it would be great for all learners to experience. Diolch.

Homework

Homework will be assigned on Seesaw and Sumdog throughout the year. The learners have taken log in details home with them. Please let me know if you require another copy of these. Homework will also be posted on the school website.

The weekly spellings are taken from our Topic language as well as our spelling scheme on Sumdog. There will also be a weekly Welsh word.

Spellings

aggressive

accompany

attached

according

accommodate

appreciate

court

travelled

Hydref

Maths

There will also be a weekly Maths task set on our Maths platform: Sumdog. This week's task involves manipulating decimals.

Please get in touch if you have any questions about any of the above.

Best wishes,

Mr Gibbon.
