

Year 2 Homework Letter

11.09.25

I hope you are all well and have had a lovely summer. Here is the first homework letter of the Autumn Term. A weekly homework letter will be sent home every Thursday via parent pay and it will also be accessible via the Year 2 page of the school website. In Year 2 homework will consist of a literacy **or** maths task and reading. The children will each have a homework book with their log in details for Sumdog and Seesaw attached to the front cover.

Maths

The online Maths programme we are using this year is called SumDog - www.play.sumdog.com. The children's log in details are attached to the inside front cover of their homework book. If you need a new copy, please let me know. There is no maths homework set for this week as we continue to show the children how to use the new programme.

Reading

We have distributed new reading books based on their RWI groups. Please read as frequently as possible with your children at home. We will change their reading books in school once they are finished and we will send new books home every Friday. Please let me know if there are any problems.

Homework

The children have their new homework book in their reading folder. For homework this week the children can decorate this book as they like with paper, stickers, drawings, photos etc.

Please complete by Wednesday 17th September.

General Information

- Reading books will be changed and sent home every Friday.
- Year 2 will have PE lessons on Thursdays or Fridays. Please ensure the correct PE kit is in school in case changes occur. We will send the PE kit home at the end of each half term.

- We have an 'Our News' board in class where the children can display their own news from home. Any medals, certificates etc. can also be brought in for Merit worship on a Friday morning where your children can show the whole school what they have achieved.
- Big Merit will be held in the school hall on the morning of Friday 24th October at 9:15. If your child receives a merit this half term, please join us in the school hall on this date to celebrate.

Year 2 have made a brilliant start to their new class and have adapted to new routines well. We have started our new topic 'Remember Remember' and the children are enthusiastic to see what we will be learning about this term. I am thoroughly looking forward to the exciting year ahead. If you have any questions, please do not hesitate to contact me.

Have a lovely weekend.
