

## Year 2 Homework Letter

16.04.26

I hope you all had a lovely Easter. It has been a lovely start back into the summer term. This week the children have started their new topic - 'Big Wide World'. We have been looking at images of the earth and completing an 'I see, I think, I wonder' grid to help create questions that we want to find out about our world to help drive our topic. We have also started our whole school project Ffrindiau'r Byd, looking at how we help to care for the world.

### Homework

The homework this week will be based on our topic Big Wide World. Please can the children research the 7 continents. They could find out what are continents? What they are called? What is something interesting about each continent? What continent do we live on? The children can record what they find anyway they like. They could record themselves talking on Seesaw, a poster, writing in their homework book or even a leaflet.

### Spelling
