

## Year 2 Homework Letter

29.01.26

This week we worked together as a class to select a place in our community and plan a story. The children then created their own story based in Ogmore Castle, focusing on the key parts of a story. The children have also been looking at other religions; we looked at Islam and the special place where they worship - a Mosque.

In Maths the children have continued to develop their understanding of dividing into equal groups and started to explore 3D shapes.

### Homework

This week the homework will be topic based. There are many people in our community that help us. Can you draw a person you think helps people in our community and write down 4 questions that you would like to ask them.

If any parents would like to come into school, for the children to ask them about their jobs and how they help people in the community, please come and see me and we can arrange a suitable time.

### Spelling

The spelling test will be on Monday 2<sup>nd</sup> February.

Unit 2: The **soft c**.

icy	city	rice	mice	cycle
fancy	concert	exercise	pencil	concentrate

### Reading

Please read as frequently as possible with your children at home. We will change their reading books in school once they are finished and we will send new books home every Friday. Please let me know if there are any problems.
