

## Year 2 Homework Letter

15.01.26

The children started the week with a piece of writing where they described the community and the places and people they like to visit. Over the week they continued to look at successful people in South Wales and their accomplishments. They also looked at where these people live and answered the question; Ble mae \_\_\_\_\_ yn byw? The children have also been revisiting 2D shapes and looking at the properties of each shape.

### Homework

Can you draw a place in your community? It could be your house, the school, a beach, a coffee shop, a park, a church, a castle, the stepping stones or a restaurant. Write one sentence or a few sentences to go with your picture to tell me why you have chosen to draw this place. Please complete this in your homework books and bring back into school by Thursday 22<sup>nd</sup> January.

### Spelling

The children will start having a spelling test every Monday. There are no spelling words yet, but this will start next week when we have our spelling groups up and running.

### Reading

Please read as frequently as possible with your children at home. We will change their reading books in school once they are finished and we will send new books home every Friday. Please let me know if there are any problems.
