

Year 2 Homework Letter

18.09.25

This week the children have been very busy. We started the week with some creative writing using a picture from the great fire of London. The children wrote a descriptive piece of writing using their 5 senses. Throughout the week they jumped back in time over 350 years to explore what life was like in 1666, comparing what they found to life today.

Maths

The online Maths programme we are using this year is called Sumdog - www.play.sumdog.com. The children's log in details are attached to the inside front cover of their homework book. If you need a new copy, please let me know. This week.

Reading

We have distributed new reading books based on their RWI groups. Please read as frequently as possible with your children at home. We will change their reading books in school once they are finished and we will send new books home every Friday. Please let me know if there are any problems.

Homework

This week the children will have maths homework. This can be found on Sumdog (www.play.sumdog.com). The children have been developing their place value skills this week and looking at how 2 digit and 3 digit numbers are made up on hundreds, tens and ones.

Please complete by **Wednesday 24th September**.
