

Year 2 Homework Letter

06.11.25

Thank you so much for your Tudor houses, the children have worked hard on them and are so proud of them. You will be pleased to hear that they may survive the fire. This week we had a visit from Firefighter Rich - he taught us all about staying safe and showed us the special clothing he wears when going to a fire. We have also started learning the songs for our Christmas concert.

Homework

Next week the children will be taking part in kerb craft sessions. This will involve learning about the Green Cross Code. Children are taught to follow step-by-step instructions so that they find the safest place to cross, look and listen for cars, wait until it's safe to cross and, ultimately, get to the other side of the road safely. To prepare your children for this please can they design a road safety poster in their homework book.

Maths

The online Maths programme we are using this year is called Sumdog - www.play.sumdog.com. The children's log in details are attached to the inside front cover of their homework book. If you need a new copy, please let me know. This week.

Reading

Please read as frequently as possible with your children at home. We will change their reading books in school once they are finished and we will send new books home every Friday. Please let me know if there are any problems.
