

## Year 2 Homework Letter

22.01.26

This week the children have been looking closely at the area around the school. On Monday the rain held off, and we were able to go for a walk around the village and

Mrs Howell shared some amazing facts about the village over the years. The children then used their knowledge and understanding of places to create their own map, starting with the school in the center. In Maths the children have been working on multiplication using arrays, and division by sharing into equal groups.

### Homework

This week the homework will be Maths. We have been learning our 2, 5 and 10 times tables. We have also been using arrays to support our understanding of multiplication.

$$6 \times 5 = 30$$

$$5 \times 6 = 30$$

There are 6 rows of 5 strawberries.

6 lots of 5

The children can draw some of their own arrays and write multiplication sentences to match. Top Marks - Hit the button is also good practise to learn the 2, 5 and 10 times table. Please complete this in your homework books by Thursday 29<sup>th</sup> January.

### Spelling

The children will have their first spelling test on Monday 26<sup>th</sup> January.

Unit 1: The **or** sound spelt **a** before **l** and **ll**.

call	ball	fall	wall	small
also	almost	always	already	altogether
