

## Year 4 Homework

15<sup>th</sup> January 2026

Dear Parents and Carers,

This week, Year 4 have been working hard across the curriculum and have produced some lovely learning.

In mathematics, we have been learning about decimal tenths and practising converting fractions into decimals.

In English, we have written descriptive scenes based on the opening of *Oliver Twist*. The children focused on creating atmosphere through careful word choice and vivid descriptions, and many produced thoughtful and engaging pieces of writing.

In history, we have been learning about Queen Victoria's coronation, exploring why it was such an important event and what it tells us about life in Victorian Britain.

In Welsh, we revised telling the time, practising key vocabulary and sentence structures to talk confidently about different times of the day.

We have also enjoyed a creative afternoon, designing and making Victorian silhouettes, inspired by popular Victorian portrait styles.

Homework for this week will reinforce our learning in maths (on SumDog) and English and has been explained clearly to the children.

### Spelling Words -

ate	grey	obey	pray	prey
slay	they	veil	way	believe

### Trip

On Tuesday 10<sup>th</sup> February we will be visiting St Fagans for the day to learn how Victorian children lived and worked. Payment and information about the trip are on ParentPay. If you would like to come with and have a fun day out, please let me know.

### Class Worship

On Friday 30<sup>th</sup> January, Year 4 will be leading the school in a St Bridget's Day Worship in St Bridget's Church at 9:30. Everyone is welcome to join us.

Thank you, as always, for your continued support.

Mrs Jenkins
