

Year 4 Homework

26th February 2026

Dear Parents and Carers,

Welcome back, I hope you have all enjoyed a relaxing half term holiday.

Maths

In Maths, we have been learning about **data handling**. The children have been collecting information, organising it into tables, and presenting their findings using different types of graphs and charts. Homework this week is on SumDog.

In our literacy work, we have been exploring **Welsh myths and legends**. The children have been reading traditional stories and learning about famous characters and magical tales from Welsh history and culture. They have worked hard on creative activities linked to these stories.

Please help your child to learn the spelling words, there will be a test every Monday.

Spelling Words -

collision	confusion	decision	division
explosion	invasion	revision	accident

Have a fabulous weekend,

Mrs Jenkins
