

Year 3/4 Footballers shine in Cardiff

On Tuesday Year 3 and 4 footballers went to Ocean Park in Cardiff for a football tournament. There were ten teams and we played 6 of them. We won 3 matches and lost 3. Otto and Eli were the top goal scorers. We came fourth in the tournament and had a lovely day. We are looking forward to our Urdd game next week. Thank you to Mr Nurton for organising the day.

Estyn

This week the school had an interim Estyn visit on Wednesday. Interim visits are normal practice in the new Estyn framework as they look to engage more often with schools. We had two inspectors with us for the day and they reviewed the schools progress on the recommendations made in the last inspection report. They also took the opportunity to observe teaching and learning, talk with pupils and staff, consider documentation, and look at samples of pupils' work. They will write to the school summarising their findings. This letter will be made available on the school website.

Fund for All

Giving disadvantaged children and young people living Wales a summer holiday

The Urdd's Fund for All gives all children in Wales an opportunity to enjoy a summer holiday, whatever their background or financial circumstance.

Parents, guardians or teachers can make an application for a summer holiday at one of the Urdd's residential centres for an eligible child or a young person. The fund will cover the full price of the course (including transport).

"Children in care can experience stigma, and so this summer holiday gave them the freedom to truly be themselves. They're still in touch with some of the new friends they made from all over Wales."

Eco Day – Friday 22nd May

On Friday 22nd May we have an Environmental Day planned. This is a dedicated hands on day aimed at boosting sustainability, environmental education and developing life long green habits. All pupils in the school are welcome to come to school in their own clothes (that they don't mind getting dirty). All classes will have a day of Eco activities that will be delivered by the school staff and outside providers such as Beach Academy Wales, Vale Recycling, Wildfire Wales and many others.

WALK TO SCHOOL WEEK

Next week is Walk to School week. This is a UK wide initiative to try and get children to become more active on their journey to or from school. Its a five-day annual campaign held in May that encourages UK primary school pupils to walk to school. The Health and Wellbeing School Senedd group will be holding a whole school assembly on Monday morning to spread awareness of the initiative and the health benefits associated with it.

During Walk to School Week, we'll challenge ourselves to walk, wheel, cycle or scoot to school, or take a short trip outside every day. If we can't walk all the way, we can park the car a little further and walk the rest of the way .This is important because it helps children to be healthier. Being outdoors can make us feel happy and ready to learn when we arrive at school.

September 2026 Nursery Admissions

Parents of children who are eligible to start in the Nursery in September 2026 need to make sure their Admission form is in the school office asap. Places will then be allocated and offers will be posted to parents soon.
