

Year 4 Homework

Thursday 21st May

Dear Parents and Carers,

As we come to the end of this half term, I would like to thank you for your continued support. The children have worked incredibly hard; they tackled the latest assessments with courage and determination. You should be very proud of all they have achieved. Results of assessments will be sent home with their reports.

For the extended half-term break, there will be **creative homework only**.

I am already looking forward to welcoming everyone back to school on **Monday 8th June**, ready for our swimming sessions.

Please can children:

- Wear their swimming costume/trunks underneath their school uniform.
- Bring a separate bag containing a towel and any swimming kit needed.
- Come to school as normal and on time; we will be leaving straight from the yard. Latecomers will miss the bus!

Wednesday 24th June – Sony trip, Film in a Day.

The children will be taking part in a special **“Film in a Day”** project in Sony, Pencoed. During the visit, the children will work together to plan, act, film and produce their own short film all within one day. They will have the opportunity to learn about filming techniques, teamwork, creativity and how movies are made behind the scenes. It promises to be a fantastic hands-on experience and a memorable opportunity for the class.

Further details about the visit, including timings and any additional arrangements, will be shared after half term.

Thank you again for your support, have a fantastic half term holiday.

Kind regards,

Mrs Jenkins
