

Goodbye Year 6

This is always a sad time of year as we say goodbye to children whom the staff have grown very attached to over the years. This current Y6 class have been a fantastic year group all the way through the school. They are a talented class full of energy, character and tons of personality. They leave us as well rounded and well educated children ready for the challenges that lie ahead. I'm sure they will settle quickly and excel in their new schools. *Good bye Year 6, you've been a blast!*

Have a lovely Summer

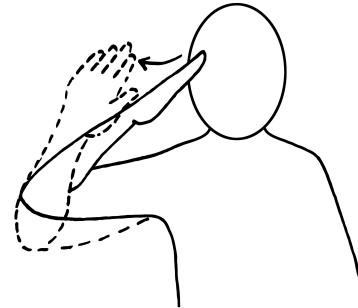

As the school year ends I would like to say a big 'Thank You' to all the children, parents, governors and staff who have helped to make the last year so enjoyable. St Brides is a very special place to be a pupil, parent or a member of staff and it is a privilege to be the Head Teacher of such a fantastic school. Enjoy the 6 weeks holiday and I look forward to seeing you all back fit and well on Tuesday 1st September to start the new school year.

MAKATON SIGN OF THE WEEK

Holiday

Year 4 put their enterprise skills to the test during a fantastic fundraising afternoon in support of Kidney Wales. Working in teams, the children designed, created, advertised and sold a variety of products. Their hard work, creativity and enthusiasm were rewarded with an incredible total of £509. We are immensely proud of the children's teamwork, determination and generosity, and would like to thank all the families and members of our school community for their kind support in helping to make the event such a wonderful success.

Farewell Mrs Jenkins

Today marks the end of Mrs Jenkins time in St Brides as she moves on to become HT of Llangan Primary School. She has been an outstanding teacher and Deputy Head for a long period of time and has played a huge role in all of the school's successes. We will all miss her greatly and I am sure you will join me in wishing good luck in her new role.

Online Personalised Assessments Feedback

The children in Y2 – Y6 have recently undertaken Online Personalised Assessments in Reading, Numeracy Procedural and Numeracy Reasoning and their standardised scores are given to you with their reports. We have released the feedback to you via your child's hwb account. The instructions on how to access this are in the 'Information for Parents and Carers' doc provided. The purpose of personalised assessments is to help all children progress through understanding what they can do, the things they cannot do, and their next steps. The feedback is just a snapshot of your child's skills at the time the assessment was taken.
