

Flu Vaccination Programme

The School Nursing Team will be visiting St Brides on the 21st September to offer pupils the Fluenz Nasal Flu Vaccine. The NHS recommends that your child gets the vaccine to protect against Flu. This consent form must be completed by a parent or a guardian with parental responsibility for the child. For current information about the Nasal Flu Vaccine please visit the Public Health Wales website.

PHW will be using an Electronic Consent (E-consent) system for this vaccination programme. This new consent process is simple, convenient and, most importantly, secure.

If you have more than one school age child, please complete one form per child. The form must be completed prior to the school nurses visiting your child's school to deliver the vaccination. This gives our staff time to check each individual form.

To allow enough time for processing, consent forms must be submitted by 12pm on the last working day before the vaccination session. For example, if the vaccination session is on a Monday, the consent form must be submitted by 12pm on the Friday before. Forms received after this deadline will not be processed, and your child will not be vaccinated at that session.

If you have any questions, concerns, or would like to discuss these arrangements, please contact the School Nursing Immunisation Team at CTM.SchoolNursesImmunisationTeam@wales.nhs.uk. Please also use this email address to notify the team as soon as possible if your child has received their vaccination elsewhere.

Please click the link or scan the QR code to complete the electronic consent form:

Up to date medical information required

We are currently updating our pupil medical records on **Arbor** and would like to ensure that we have the most accurate and up-to-date information for all children. If your child has any medical conditions, allergies, or specific health needs that we should be aware of it is your responsibility to tell us. No jewellery please

Can I remind all parents that our school uniform policy states that jewellery is not to be worn in school. There has been an increasing number of chains, necklaces, stud earrings etc noticed by school staff recently. Please can parents work in partnership with the school on this matter as children often find it upsetting if they are asked to remove or not wear their jewellery by a staff member.
