

Year 4 visit Big Pit

Year 4 went on a school trip to the big pit on Monday 18th of November 2024. First we went on a bus, it was fun because we were singing, chatting and playing fun games. Nella did the workshop with us and told us about what it was like to be a Victorian child. She did a power point with us and did three activities. We pulled a fake dram, looked at paper interviews of real Victorian children and we went through a fake tunnel and looked at a Victorian kitchen, we also had to find out the mystery of the three drams it was one of them did not have wheels. Then we all had lunch and then the fun part we went under ground we found out a lot about the Victorians and coal and their daily life. He made us turn our lights out to experience what it felt like to be a coal miner. We felt real coal and iron it was amazing! Next we went back on the bus and it was really fun. By Seb and Eira (Y4)

Miss Fulgoni

Unfortunately Miss Fulgoni will be leaving the school at the end of the Autumn Term for personal reasons. She will be succeeded by Miss Evans for the remainder of the school year. Miss Fulgoni has been a highly valued member of staff and has made a significant contribution to the school during her time here and I'm sure you would join me in wishing her all the very best for the future.
