

Pupil Parliament Elected

The speeches have been made, the hustings have happened, the people have spoken and the newly created St Brides Pupil Parliament has been elected. The Pupil Parliament contains a class representative from each class between Year 2 and Year 6 and a representative from each of our six pupil voice groups. The meetings will be chaired by the newly appointed Head Boy and Girl - Alekos and Jess.

At St Brides we actively promote pupil leadership opportunities, enabling our pupils to develop valuable communication, organisation and debating skills. We believe that providing these key roles of responsibility is paramount to their development and learning experience.

Children involved in our Pupil Parliament will meet regularly to discuss topics, issues and initiatives that affect them and their learning environment. As part of their responsibilities, the team will organise their own meetings, decide on an agenda, share new ideas and vote on a number of school-related issues.

Allergy Alert - No ifs, buts and strictly no nuts

Could all parents ensure that their children do not bring nuts or products that contain them into school. We have several children in school who are allergic to nuts and would suffer a severe possibly fatal anaphylactic reaction if exposed to them.
