

## Year 4 Homework

18th September 2025

### Dear Parents and Carers,

We have had another fantastic week, learning about coordinates in maths and writing brilliant diaries as the character of Caliban from the Tempest. We have also painted our versions of Hokusai's 'Great Wave'

### Homework

Homework will now be sent home every Thursday and should be completed by the following Monday. This will usually include maths and spelling activities. Our new maths platform, *SumDog*, is now up and running in school, and homework will be set through this site. Login details and passwords have already been sent home, but please let me know if you need another copy. Tasks will appear on the 'Tasks' page, and while they won't take long to complete, children are welcome to play the extra games to help consolidate their maths skills as often as they wish.

### Spelling

pleasure	capture
leisure	measure
treasure	mixture
enclosure	picture
adventure	exciting

### Reading

This term, we will be enjoying *Charlie and the Chocolate Factory* by Roald Dahl. It would be very helpful if each child could have their own copy to use in class as it will be a vital part of our literacy sessions.

### European Day of Languages

On **26th September**, we will be celebrating European Day of Languages. Year 4 will spend the day immersed in French language and culture, and children are invited to come to school dressed in the colours of the French flag.

### Upcoming Trip

On **24th September**, we will be visiting *Sony* in Pencoed for the day. Permission for this trip is available on ParentPay, there are still quite a few children who are yet to have consent. Thank you so much to those who have kindly offered to help on the day—your support is greatly appreciated.

Kind regards,

Mrs C Jenkins
