

St Brides Cross Country Team Excel

The Bridgend Schools Cross Country Competition for 24/25 concluded last weekend. This is how St Brides Teams placed:

Year 3 / 4 Girls Team finished 3rd overall

Year 3 / 4 Boys Team finished 2nd overall

Year 5 / 6 Girls Team finished 4th overall

Year 5 / 6 Boys Team finished 2nd overall

Albie in Year 5 also received an individual prize for finishing 3rd overall in the individual competition. This is such an amazing achievement, all runners gave their absolute best across the whole season. St Brides were one of only two teams in the whole region to field a team in every age category for four out of the five races. For such a small school the pride, commitment, camaraderie and talent is exceptional. Llongyfarchiadau pawb! We look forward to welcoming new runners next season when the races start again in the Autumn Term. Current Year 2 children start warming up so that you can get involved when you're in Year 3! Nursery Admissions September 2025

Could all parents who wish to apply for a place in the Nursery for September 2025 please make sure their Admission forms are in school by 9th June. We will allocate the places ASAP thereafter. If your child is already in the Nursery you do not need to re-apply for a place for September. Your child is eligible for a place in the school Nursery the term after their 3rd birthday.

Creative Holiday Homework

Every school holiday we invite the children to participate in a creative whole school project. This will involve working at home either alone, with a friend or a member of the family to create something linked to a title. When we return to school, all of the creative works of art will be displayed and there will be house points awarded in our first merit assembly of the half term. The topic title for Whitsun holidays is 'Tusker, Sker & Dunraven'. This is a really good way of the children finding out about their houses and the local area before they return to school. I look forward to seeing your creations.

Mr Mottram
