

St Brides are Maths Challenge Champs 2025

On Tuesday our Y6 Maths Challenge team secured 1st place in the Cowbridge Cluster Maths Challenge Competition. There have been four events this year and the St Brides Y6 team won every single one of them and finished 1st overall out of ten schools. The questions were a mix of really challenging Mathematic problems with speedy brain cells necessary. Our y5 team also entered and finished 3rd overall. What a fantastic achievement, we're so proud.

Clwb Garddio – Gardening Club

We have been delighted with the uptake of keen gardeners this term as there certainly is a lot to do to keep our grounds in tiptop condition. We currently have around 34 pupils attending which is brilliant but we could do with some adults to help us every Monday after school for one hour. If you would like to be part of our team of volunteers, please drop Mrs Willows an email and join us next Monday with your tools and gloves. We look forward to seeing you then.

Allergy Alert - No ifs, buts and strictly no nuts

Could all parents ensure that their children do not bring nuts or products that contain them into school. We have several children in school who are allergic to nuts and would suffer a severe possibly fatal anaphylactic reaction if exposed to them.

St Brides football team finish runners up in 48 school tournament.

On Wednesday the St Brides football team (made up entirely of Y5 children) played in a big football tournament at Pen Y Bont FC. 48 schools attended. We won our group, winning 6 out of 7 games. We won our quarter and semi-final before sadly losing the final 2-0. It was a great day and we had lots of fun. Everyone played well. Top goal scorers for us were Ted, Parker and Noah. Thank you Mr Nurton for taking us. By Ted and Parker
