

## Year 4 Homework

25th September 2025

### Dear Parents and Carers,

We have had another great week, we had a fantastic workshop on Monday and learnt all about palm oil plantations in the rainforests of Indonesia and what we can do to protect these precious places. We then created our own stories about animals affected by deforestation in the rainforest. In math lessons we have revisited column addition and subtraction, learning how to borrow and carry accurately. Homework is on SumDog. Please ensure that your child logs in and completes the homework task. We also had a brilliant Forest School trip on Wednesday and are about to enjoy European Day of Languages, basking in French culture tomorrow!

### Spelling

|          |           |
|----------|-----------|
| nature   | furniture |
| feature  | moisture  |
| culture  | pressure  |
| future   | sure      |
| fracture | unsure    |

### European Day of Languages

On **26th September**, we will be celebrating European Day of Languages. Year 4 will spend the day immersed in French language and culture, and children are invited to come to school dressed in the colours of the French flag. We will be baking during the day using flour, sugar, butter and eggs. If your child has any allergies to these ingredients that I need to know about, please let me know as soon as possible.

### McMillan Coffee morning

On **26th September**, the school will host a coffee morning to raise much needed funds for McMillan. You are all welcome to come and have a coffee and cake and a tour of the school. Cake and biscuit donations are much appreciated.

Best wishes

Mrs Jenkins
