

Year 4 Homework

2nd October 2025

Dear Parents and Carers,

We've had another exciting week of learning in Year 4, and the children have been busy exploring a wide range of topics! In **Maths**, we have been working on *halving and doubling*. We have been practising our number skills and applying them to different challenges and problem-solving activities. In **History**, we have continued our journey into the **Maya civilisation**. The children have enjoyed learning about Maya life and culture. They were especially enthusiastic when we explored how the Maya made a special *drink for the Gods*, and we even tried creating our own classroom version! In **English**, we have been developing our writing skills by learning how to write **playscripts**. We will be writing a playscript to accompany the silent, first ever film of the Tempest.

Spelling (Commonly misspelt words)

because	difficult
favourite	really
happened	quiet
were/wear/where	quite
different	believe

Math

Homework this week is paper based. Please can the children complete and then return the sheet in their homework books. Children can also play SumDog as often as they like. The more they play (with accuracy) the more coins they earn.

Have a lovely weekend,

Mrs Jenkins
